SA2005

Green River answers the call for PPE.

"We believe that there is the best talent in the world making things and manufactured products here in the state of Washington," Inslee said. "I'm here today to ask all business people, all leaders, all skilled workers, to ask themselves if they can join this effort... If you are a manufacturer or designer, please don't feel limited if you can't make the whole enchilada – even if you can just make one part of something, that would help."

COMMUNITY

Throughout the COVID-19 pandemic, one of the largest challenges hospitals have faced is maintaining an adequate supply of personal protective equipment, or PPE. The need was so dire that during an April 1 press conference (and in a follow-up tweet), Gov. Jay Inslee turned to local manufacturers, asking that all Washingtonians join the fight.

Washingtonians answered the call, including Green River's Machining and Manufacturing department, which recently completed it's first order of 100 face shields for local medical professionals.

According to Bradley Chinn, instructor, Manufacturing Technology, the idea of converting the College's additive manufacturing lab into a PPE production facility began when friends, students and colleagues reached out asking about the department's capabilities.

"It just so happened that we had this National Science Foundation grant for additive manufacturing or advanced manufacturing, and we had just set up this actual print lab," Chinn explained. "All the machines that you've seen or see here are part of the program that we've been doing, and it just worked out that around the world—from Europe to Asia to all the way over here—they've been producing and creating PPE with 3D printing in this time-period for the workers that are dealing with the COVID-19."

The machines, commonly referred to as 3D printers, utilize a method called Fused Deposition Modeling (FDM) to melt plastic and print it in a pre-determined shape layer-by-layer. While the process takes about an hour per face shield, the team was surprised by the number of shields they were able to produce.

"Our original estimate for this was we could do anywhere between 10 and 30 a day, but on our first two days here, we actually found that we were getting closer to 50 a day when we were actually here on our regular days."

Once printed, the face shields are packaged and stored in a sterile environment for three days (the amount of time of which the virus can live on plastic surfaces) before being made available to medical officials.

To date, the Machining and Manufacturing department's efforts have resulted in the construction of more than 500 face shields.

STUDENT RESOURCES

You've Got Options!

As you work towards your goals at Green River College you will face many challenges, both in and out of the classroom. Know that you are not alone. Our faculty and staff can help connect you with the tools to overcome those challenges. If at any time you need assistance, the following support and services are available to all members of the Gator family.

BENEFITS HUB I am experiencing barriers getting access and support to services within the community and on campus.	A partnership between the Progress & Completion Center and the United Way of King County designed to help students connect with support.	Visit **greenriver.edu/BenefitsHub** and **greenriver.edu/completion**
GATOR PLEDGE I am experiencing financial barriers keeping me from continuing their studies at Green River.	Emergency funding for students to close small (usually less than $500), but critical financial gaps that would otherwise cause a student to drop out.	**Talk to any GRC Faculty or Staff to assist you with filling out a referral form.**
ACUTE HELP CARDS I am experiencing immediate financial difficulty that can be bridged with food or school supply help.	Students experiencing hunger or in need of gas to get home or to class can receive gift cards to help.	**Talk to any GRC Faculty or Staff.**
COUNSELING SERVICES I am experiencing mental health difficulties.	Confidential, short-term mental health counseling and wellness education provided to students for free.	Visit **greenriver.edu/counseling** Call **253-351-6670** or visit **SA-231**
WORKFORCE EDUCATION I am a dislocated worker or low income student experiencing life barriers.	Administers programs that provide free or reduced tuition. Programs also assist with books, fees, and, in some cases, educational supplies.	Visit **greenriver.edu/workforce**
GATOR PANTRY I am in need of a little extra food immediately.	Provides free food assistance to students on a temporary basis and connects them to longer-term resources.	**SA 105**, Check-in at front desk of Career & Advising, **SA 104** **Mon - Tues: 8 AM – 6 PM** **Wed - Thurs: 8 AM – 5 PM** **Fri: 9:30 AM - 4:30 PM** (Closed Summer)
ORCA TO-GO I am using public transportation.	Through a partnership with Orca-to-Go, students will be able to sign up for Orca cards on campus.	Visit **orcacard.com** Call **1-888-988-6722** **(TTY Relay: 711)**
SAFETY RIDE I am in need of a ride nearby.	Provides rides for all students to and from CCA, nearby apartments, home shares, Holman Library and local stores near Main Auburn Campus.	Call **253-288-3350** **Sun -Thurs: 3 PM – 1 AM** **Fri & Sat: 3 PM – 2 AM**
FOUNDATION SCHOLARSHIPS I am looking for scholarships.	More than 300 GRC Foundation scholarships available for tuition, fees, books, and required supplies.	Visit **greenrivercollegefoundation.org/scholarships/scholarship-process**
VIOLENCE PREVENTION CENTER I am or I know someone who has experienced violence.	Provides support and resources to all members of the GRC community that have experienced stalking, sexual assault or violence. VPC is a safe space with access to self-care items.	Visit **greenriver.edu/vpc**
TUTORING & RESOURCE CENTER I am in need of help with my studies.	Places to get tutoring with a number of subjects.	Tutoring & Resource Center **HL-2nd flr.** Math Learning Center **CH-313** Writing & Reading Center **RLC-173** Public Speaking Center **HL-150**

WINTER–CLASS TYPE DEFINITION

While we are hoping to return to our regular schedule of instruction for the fall quarter, we are also planning for all possible outcomes. Classes for fall quarter are designated in these five ways:

MODALITIES WITH A FACE-TO-FACE COMPONENT

Face-to-Face: Class times are listed in the schedule. Classes will meet in a **face-to-face** format on campus. Based on the state's response to COVID-19, these courses may shift to virtual, online, or hybrid/virtual using Zoom. Your instructor will let you know prior to the start of fall quarter via your GRC email and Canvas dashboard.

Hybrid: Part of the class will occur in a **face-to-face** format on campus at the time listed in the class schedule. The other part will be held **online** without a set time to attend.

If on-campus instruction is not yet allowed by fall quarter, then the face-to-face part of the course will switch to online or virtual using Zoom or other virtual format. Your instructor will let you know prior to the start of fall quarter via your GRC email and Canvas dashboard.

MODALITIES WITH NO FACE TO FACE COMPONENT

Completely Virtual: Class will meet **online** at the time listed in the class schedule. For example, if your class begins at 9 a.m. in the class schedule, then it will begin at 9 a.m. on Zoom. You will be attending the class at the same time as your classmates, just as you would on campus.

Virtual Hybrid: Part of the class will be held **online** without a set time to attend. The other part will occur at the time listed in a virtual format (e.g. Zoom). Your instructor will let you know prior to the start of fall quarter via your GRC email and Canvas dashboard.

Online: The entire class will be held **online** without a set time to attend. The class will still have assignment deadlines and due dates.

Note: If, due to the state's response to COVID 19, the teaching modality listed in the class schedule changes before the start of fall quarter, students will be notified by their instructor as soon as possible.

If you are registering for a class that requires permission, instructions will automatically appear on the screen requiring you to enter an entry code.

Entry codes

These are five-digit numbers issued to you by the instructor of the class or by an advisor. They are used as authorization for classes requiring permission or prerequisite satisfaction. Once you have used an entry code, the computer will not accept it again.

Credit maximum

Academic students may register for up to 20 credits per quarter. Career and technical students may register for up to 25 credits per quarter.

To print class schedule

1. Go to **greenriver.edu/online**
2. Select **Schedule viewer**

Waitlist for full classes– automated system

How do you get into a class that is full?

Entry codes **will not** allow you to by-pass the waitlist option and register yourself into a full class. The waitlist process works as follows:

- Web or in-person registration will provide the option to waitlist into a full class. All prerequisites must be met to be added to a waitlist.
- You can add your name to three separate waitlists– an example would be math, English and chemistry.
- Cluster classes are moved from the waitlist in the order the students were added.
- Review your schedule every few days via the Web to see if you have been added to the class.
- You are responsible for making sure your schedule is accurate by dropping any unwanted classes. Failure to do so will result in a 0.0 grade being posted to your transcript and possible additional tuition and fees.
- To remove your name from a waitlist:

1. Go to **greenriver.edu/online**
2. Select **Waitlist manager**

You may also stop by Admissions and Registration to request that your name be removed.

- If you have not moved off the waitlist and into the class by the first day of the quarter, you need to attend the first class session and identify yourself to the instructor.
- Attending the first class session will not guarantee admittance into the class.

Students are responsible for the accuracy of their class schedule. If you are registered for a class that you no longer plan to attend, withdraw from the class online or stop by Admissions and Registration.

To pay tuition and fees online

1. Go to **greenriver.edu/online**
2. Select **Make a payment**
3. Enter SID and PIN (PIN not required to make payment.)
4. Select quarter
5. Enter account information
6. Enter credit card information
7. Once you select "Charge my account," you are instructed to wait for a confirmation number, and then print the number for your records.

Please note, if the confirmation does not come up, the charge did not go through.

Note: If using the **STEP** plan, **first and second** payments **MUST** be made in person at the Cashier's Office or over the phone at 253-288-3399.
Final payment may be made at the Cashier's Office or online with credit/debit card at greenriver.edu.

For questions on payment options or problems, please call the Cashier's Office at 253-288-3399.

Mailing Address Corrections

If your mailing address has changed during the quarter, be sure to change your new address online.

1. Go to greenriver.edu/online
2. Under **Helpful tools**., select **Student Address, contact information and preferred name change.**

If you are on financial aid, you must also notify the Financial Aid Office.

Disability Support Services, 253-931-6460, TDD 253-288-3359

Green River College is committed to assisting students with disabilities to obtain equal access to programs and services at the college. Disability Support Services is located in SA-271A in the Student Affairs & Success Building. Students requesting accommodations need to contact DSS and are required to provide current documentation of disability. For information regarding documentation needs and about Disability Support Services in general, please contact the Disability Support Services Coordinator during business hours. Information pertaining to 504 compliance is available from the director of Disability Support Services.

Depending on disability needs, please allow two weeks to three months for accommodation processing arrangements.

Financial Aid, 253-288-3392

The Financial Aid Office is located on the second floor of the Student Affairs & Success Building. Financial aid is available in the form of grants, loans, work-study jobs and scholarships. Contact the Financial Aid Office for information and applications. **Please allow at least three months for application processing.**

Full-Time Student Status

The definition of "full-time student" varies for certain agencies, such as the Immigration and Naturalization Service, Veterans Administration, College Financial Aid, Social Security Administration and insurance companies. **In most cases, to be considered full time, you must be registered for 12 or more credits.**

Parking, 253-288-3350

Parking is one of the many services provided through the facilities fee. Students are required to register cars at the Cashier's Office to help ensure the safety and security of vehicles. Questions pertaining to parking should be directed to the Safety Office at 253-288-3350.

Student Rights and Responsibilities

Students are held responsible for knowing and obeying published rules and regulations of the college as detailed in the student handbook. Students are responsible for knowing the academic requirements and for scheduling necessary courses in their proper sequence.

This information is available online at **greenriver.edu/current** and includes Green River's policy on alcohol and other drugs, the costs of attending the college, our enrollment policies, graduation rates, information about our testing center, and much more. We are confident you will find them useful. Please call 253-931-6450 or stop by the Information Desk in Student Life to obtain a student handbook.

Jeanne Clery Statement: Notice of Availability of Annual Security and Fire Safety Report–

Green River College's Annual Safety and Fire Report is available online at www.greenriver.edu/CleryASFR, containing mandated information about current campus policies concerning safety and security issues, required statistics, and other related information for the past three calendar years. To obtain a paper copy of the report, please call 253-288-3335.

Residency Requirements, 253-288-3383

The state of Washington has established specific criteria for students to qualify as residents for tuition paying purposes (references: RCW 28B.15 and WAC 250.18).

A resident student is one who is a U.S. citizen, or has permanent or temporary resident status, or holds "Refugee-Parolee" or "Conditional Entrant" status with the United States Immigration and Naturalization Service or is otherwise permanently residing in the United States under color of law; and be either:

1. Financially independent student:
   - Have established a bona fide domicile in the state of Washington primarily for purposes other than education for a period of one year immediately before the first day of the quarter for which they have registered at any institution; and
   - Be financially independent.

OR

2. Financially dependent student:
   Be a dependent student with one or both of their parents or legal guardians having maintained a bona fide domicile in the state of Washington for at least one year immediately before the first day of the quarter for which they have registered at any institution.

To apply for residency reclassification, students submit a residency questionnaire and provide the required documentation to the Office of the Registrar. Students may apply for residency reclassification through the 30th calendar day of the quarter. See residency questionnaire for complete details. Residency questionnaires are available online, in the Office of the Registrar, or by calling 253-288-3383

Note these additional points:

- Residence is not an equivalent of domicile only–**must** also provide documentation supporting student's financial independent or dependent status.
- A student cannot qualify as a legal resident of Washington for tuition calculation purposes if she/he possesses a valid out-of-state driver's license, vehicle registration, or other documents that give evidence of being a legal resident in another state.
- The domicile of a minor is normally that of the parent or legally appointed guardian.
- International students attending Green River who have been issued an I-20 form are classified as non-resident regardless of length of residency in Washington state.

Nonresident Waiver

The Washington State Board for Community and Technical Colleges has authorized the colleges to waive a portion of the nonresident tuition rate for United States citizens and INS Permanent residents who have not met the above criteria for in-state residency. Green River honors this automatic waiver at the time a student makes application to the college. The student pays the non-Washington resident tuition rate (see chart on page 4).

HB 1079 (Undocumented Person) Waiver

Effective July 1, 2003, Washington state law was changed, presumed undocumented students or non-immigrant visa holders who meet certain criteria are eligible for resident student status and resident tuition rates. To qualify, students who have resided in Washington state for three years immediately prior to receiving a high school diploma and completed the full senior year at a Washington high school or completed the equivalent of a high diploma in Washington State, and complete an affidavit promising to apply for permanent residency in the United States at the earliest possible opportunity and indicating a willingness to engage in activities necessary to acquire citizenship.

Veteran Services, 253-288-3452

Green River College is approved for Department of Veterans Affairs (VA) education benefits. Students who fit VA eligibility criteria may use their education benefits for most of our academic programs. An updated list of approved programs can be found on the VA's website. Full-time enrollment for fall, winter, and spring quarters is 12 credits. Enrollment for Fall terms is based on length of the term elected.

Certification for education benefits will be forwarded to the VA after proof of registration has been received by Veteran Services.

In-state and/or reduced tuition rates may be available to veterans and their spouse and/or dependents that meet specific state requirements. For more information please visit the Office of the Registrar with a copy of your DD 214 and your COE (Certificate of Eligibility).

Veterans may also be eligible for priority registration. Individuals must meet the established eligibility criteria and submit a copy of their DD 214 to the Office of the Registrar.

Withdrawal and Refund Rules

Credit classes

It is the student's responsibility to withdraw from the college or from individual courses. Students must withdraw online or submit a withdrawal/change of schedule form to guarantee the accuracy of their permanent records and to begin refund procedures when applicable. The student may receive a refund under the following conditions:

Percentage of refund

100 percent refund of tuition and fees–When courses or programs are canceled by the college or when a student officially withdraws from class through the fifth instructional day of the quarter.

40 percent refund of tuition only (No fees will be refunded after the 100% refund period ends)–When official withdrawal occurs after the fifth instructional day of the quarter through the end of the refund period (see next bullet).

No refunds–After the 15th calendar day of the quarter. The 15th calendar day is the end of the refund period.

Short-term classes–100% refund of tuition and fees when official withdrawal occurs prior to the first day of class only. Short-term classes are indicated by dates published with the class listing.

Refunds of less than $10 will not be made.

Appeals to the withdrawal policy must be submitted to the Office of the Registrar in written form with supporting documents attached. Withdrawal appeals must be received within one year of the quarter in question.

A separate refund policy applies to students receiving financial aid. Tuition refunds must be returned to the financial aid account and not to the student. A separate refund policy applies to students receiving Military Tuition Assistance (TA).

Withdrawing from classes online Financial Aid:

Students may jeopardize their future financial aid eligibility by dropping classes. Please check with financial aid if you have questions.

International Students:

If you are an F-1 international student and you drop below 12 credits without permission, your SEVIS record and student status through Green River will end.

Running Start:

Withdrawing from class(es) can impact your high school graduation and continued program eligibility. You are responsible for communicating schedule changes with your high school.

eLearning at Green River »

Earn your associate's degree without coming to campus!

Need flexibility in your schedule? Green River offers a range of fully online and hybrid options so that you can take classes in a way that works for you.

Online classes

Online classes have no set meeting times, giving you the flexibility to learn on your own schedule while meeting regularly scheduled assignment deadlines.

Virtual Classes or Hybrid/Virtual

Meet online with your class at the times listed and then complete assignments online. For hybrid classes, there are fewer scheduled class meetings. Enjoy the benefit of seeing and interacting with your instructor and classmates in real time.

MATH RESOURCE MODULES-LAB

The Math Division offers a series of 2 credit modules designed to supplement or review topics from Math 062, 070, 072, 097. These pass/no credit modules by themselves DO NOT meet the prerequisite for the next class.

Students will work with a software package for 40 hours (or 20 for one credit) on the topics in mathematics that need review. This will be decided on an individual basis. They will investigate the resources that the Math Division offers, including videos, computers, supplementary books, and/or drop-in tutoring. Students will be required to keep a log of their activities and must document a minimum of 22 hours to receive one credit, 44 hours for two credits. They will also be required to turn in copies of all work associated with the resources. Two written papers will make up the remainder of the time for the course.

You are encouraged to register for a Math Module if:

1. You need extra practice to help you succeed while taking one of the math classes listed above.; or
2. You are not yet taking another math class, but you want to build specific skills to prepare you for a math course.

WINTER-CLASS TYPE DEFINITION

As you view the class schedule, you'll see classes are designated in one of three ways: virtual, hybrid/virtual, or online.
The following definitions explain the how each type of course will be delivered:

- **VIRTUAL:** Class will meet online at the time listed in the class schedule. For example, if your class begins at 9 a.m. in the class schedule, then it will begin at 9 a.m. on Zoom. You will be attending the class at the same time as your classmates, just as you would on campus.
- **HYBRID/VIRTUAL**: Part of the class will be held online without a set time to attend. The other part will occur at the time listed in a virtual format (e.g. Zoom).
- **ONLINE:** The entire class will be held online without a set time to attend. The class will still have assignment deadlines and due dates.

HIGH DEMAND, HIGH RETURNS

Aeronautical Science prepares you for successful entry into careers in thefast-paced field of aviation. The aviation industry is rapidly expanding locally, nationally and globally.

BE A HIGH-IMPACT LEADER

Build the skills you need with an **Applied Management** degree for an exciting career in management. High-performance managers are needed in every industry and sector.

HELP SHAPE OUR FUTURE

Early Childhood Education: Infant and Child Mental Health features close collaboration with local agencies that serve young children and families and provides a pathway for early childhood workers with a two-year degree currently employed in the field. This specialized training in infant/child mental health will enable graduates to better serve children and families, responding to the emerging needs of the diverse populations that they serve.

HANDS-ON TECHNOLOGY

IT-Cybersecurity and Networking provides you with the opportunity to acquire a deep technical foundation and competency in IT. Learn how to analyze the security vulnerabilities of an organization's IT resources, and how to plan and implement security measures and practices for those resources.

IN DEMAND INNOVATION

IT-Software Development is designed to prepare you for employment in a variety of software development positions, such as software developer, software tester, systems analyst, quality assurance analyst, mobile application developer, and web developer.

START AND GROW NEW VENTURES

Marketing and Entrepreneurship provides graduates with the skills and abilities to perform market research, product development, product management, digital marketing and e-commerce, promotions development and management, sales and business development, and project management.

MAKE A DIFFERENCE IN YOUR COMMUNITY

Earning your Bachelor's degree will increase your opportunity to obtain senior level permanent positions in **Natural Resources**. When we surveyed local forestry employers 76 percent said that a Bachelor's degree was their preferred qualification and that demand currently exceeds supply of technically qualified employees.

EXCITING AND VERSATILE

Realtime Reporting: Court Reporting & Captioning offers you several career options. Realtime Reporting prepares you for careers as Courtroom/Freelance Court Reporters, Educational Captioners (CART), Realtime Webcasters, Transcriptionists, or Scopists.
