

STUDENT HOUSING EXCEPTION REQUEST
*****(Signature releasing student from GRC Housing)**

Green River College recommends underage students to remain in GRC housing until the age of 18. Moreover, 16-year-old students are required to live in a vetted and approved host family for the period of 1 quarter at a time until they turn 17 years of age. If a student turns 17 years old during the quarter, they must stay until the end of that quarter. We believe this is to the student’s advantage both socially and academically. 17-year-old students may request to be released from GRC housing; however, a parent/guardian signature must be on file.

Students who wish to request an exception from the live-in requirement must complete this form and have it signed by his or her parent/guardian. Exceptions are approved at the full and complete discretion of the Director of Housing.

Please note that since your child is under the age of 18, it is against the law (illegal) for them to sign an apartment or home share contract. Please forward the Names and Student ID’s the student will be living with to housing@greenriver.edu.
