

Placement Testing Information

You received your Student ID number with your admissions packet. You will use this number to take your English and Math placement tests. You can take these tests online from your home. *It is important to complete both tests as soon as possible **because you cannot register for classes until you have completed the tests.***

TEST #1: COMPLETE COLLEGE SUCCESS READING ASSESSMENT

Practice for the test: You can practice the College Success Reading Assessment [here](#).

Take the real test: Request to take the College Success Reading Assessment online here: www.greenriver.edu/request

- SID (your Student ID number)
- You should list the email address you use most

Do you have a TOEFL score of 72 or higher with no section below 18 OR an IELTS score of 6.5 with no section below 6.0? You qualify for our highest English class and do **not** need to take the College Success test.

Students with a Duolingo score MUST take the College Success Reading Assessment.

TEST #2: COMPLETE A MATH PLACEMENT TEST

Please carefully review the **two** math placement options below:

Math Placement Option #1: WAMAP Math Test

Description: For students who have high levels of Math and plan to test into Pre-Calculus (MATH 141/MATH 142) OR Calculus (MATH 151). Recommended for the following majors:

- Business
- Computer Science
- Engineering
- Biology/Chemistry

- Architecture
- Data Analytics

Practice for the test: follow the instructions on [this website](#) under “getting started” to log into the WAMAP practice site.

- Scroll down to the section labeled “WAMAP Math Assessment” - Practice Site Information
- You will choose the level of Math you want to practice

Take the real test:

- Request a test here: [Test Request Form](#)
- SID (your Student ID number)
- You should list the email address you use most
- Which assessment are you requesting? **Select WAMAP (math)**
- Wait up to 24 hours to receive instructions on how to take the test online

Get help during your test

You can email a description of the issues you may be having, with a screenshot, to testingcenter@greenriver.edu and they will respond to your email the next business day.

Retake the tests (optional)

You can complete [this form](#) to request to retake one or both tests. I can help you decide whether to retake a test.

Math Placement Option #2: Directed Self-Placement

Description: For students with less math experience, who need to begin at a lower level of Math to prepare for college-level math classes.

Instructions: Follow the link below to a “math survey” that will place you into the right math course for you based upon a series of Math questions.
