- **Placement Requirements:** eligible for ENGL 109, eligible for MATH 072 (required for BTAC 110 but not required to start program)
- **ENGL/MATH Degree Requirements:** ENGL& 101 and BTAC 110 or college level math if continuing to BAS after AAA.
- **Enroll into:** ACCT 110 (if offered), BTAC 100, and one other class from the Accounting degree or Math if needed
- **Meet with faculty during first quarter to complete a plan.** Placements should be completed prior to that.
- Faculty: Pat Carter (pcarter@greenriver.edu) Jeanette Fohn (jfohn@greenriver.edu) Nicole Harris (nharris@greenriver.edu)

BTAC (Business Technical Administrative Career):

- **Placement Requirements:** eligible for Engl 097, eligible for Math 072 (required for BTAC 110 but not required to start program)
- **ENGL/MATH Degree Requirements:** BTAC 130 and BTAC 110
- **Enroll Into:** BTAC 100, BTAC 101 if necessary*, and one other class from accounting or Math if necessary
 - Medical Office: enroll into BTAC medical class as third class if offered
- Connect with faculty for plan:
- **Meet with faculty during first quarter to complete a plan.** Placements should be completed prior to that.
- ***BTAC 101** can be met with taking a typing test and passing with 35 wmp with 5 mistakes or less.
- **Faculty:**

- Lea Ann Simpson (lsimpson@greenriver.edu) Lori Fishburn (lfishburn@greenriver.edu)
- Medical Office Administration: Shannon Sharpe (ssharpe@greenriver.edu)

Criminal Justice:

- **Placement Requirement:** eligible for ENGL 101 and MATH
- **ENGL/MATH Degree Requirements:** ENGL& 101, ENGL 126/127/128/&235 and college level math.
- **Enroll Into:** CJ 101, ENGL& 101 (prereq for most CJ classes) and MATH
- **Meet with faculty during first quarter to complete a plan**
 - Criminal Justice: Dr. Jashon Banks jbanks@greenriver.edu
 - Forensic Science: Michelle Williams mwilliams@greenriver.edu
- **Note:** If doing a Forensic Science for transfer (Seattle University), you may need to do a DTA transfer degree for their program requirements. Please work closely with Michelle Williams/transfer advisor to create a plan that will transfer.

Court Reporting

- **Placement Requirement:** Eligible for Engl 101 and Math
- **ENGL/MATH Degree Requirements:** ENGL& 101 and BTAC 110/college level math
- **Connect with Faculty for class permissions:**
 - Sidney Weldele-Wallace (sweldele@greenriver.edu)
- **Special Equipment Needed:** Student will need stenography machine and software (approx. \$1400) and they can get that through Stenograph by connecting with GRC rep Rose Durec at rdurec@stenograph.com. Department may have some rentals available.
- Beginning non-CRT can be Engl 101 and/or Engl 105, Info 110 and CMST. Math requirement is either BTAC 110 or college level.

Cybersecurity and Networking AAS-T

- **Placement Requirement:** ENGL 101 and MATH (faculty puts emphasis of math over English but neither are required for beginning courses).
- **ENGL/MATH Degree Requirements:** ENGL& 101 and ENGL &235/126/127/128 and college level math (MATH 108 or &107 recommended).
- **Enroll into:** IT 114, IT 160 and IT 131 (Computer Fundamental Certificate). If Math placement is below college level, substitute math for IT 131.
- **Meet with Faculty during first quarter for plan** (math placement should be completed to do plan) or Niki Nelson, Program Manager AAS (niki.nelson@greenriver.edu)
- **NOTE:** The **BAS program** requires *completion of an AA degree or higher*. If you have completed an AA or Bachelors and would like to do the Cybersecurity and Networking BAS, please connect with Program Manager, Katie Markham kmarkham@greenriver.edu

Data Analytics and Software Development AAS-T

- **Placement Requirement:** ENGL 101 and eligible for MATH 097 or higher
- **ENGL/MATH Degree Requirements:** ENGL& 101 and ENGL &235/126/127/128 and MATH &141/147 and MATH &146/256
- **Enroll Into:**
 - If eligible for MATH 097 or higher: CS 108/109, SDEV 106, MATH 097/MATH 141/MATH 146
 - If eligible for math lower than MATH 097: SDEV 101, SDEV 106 Math
- **NOTE:** The **BAS program** requires *completion of an AA degree or higher*. If you have completed an AA or Bachelors and would like to do the BAS in Data Analytics and Software Development, please connect with Program Manager, Andy Orr aorr@greenriver.edu

Early Childhood Education

- **Placement Requirement:** no placement is required to start ECE classes.
- **Connect with Faculty for appropriate first quarter classes**
 - Leslie Kessler lkessler@greenriver.edu
 - Andee Church achurch@greenriver.edu

Mechanical Computer Aided Design (CAD).

- **Placement Required:** Eligible for ENGL 097 and eligible for MATH 072 (pre-req for ACOMP 115 offered fall quarter only)
- **ENGL/MATH Degree Requirements:** ENGL 109/&101 and ACOMP 115/MATH& 142
- **Connect with faculty** Terry Waagan twaaagan@greenriver.edu
- **Enroll into Classes:** CAD 101 and CAD 105 or gen ed classes

Natural Resources –

- **Application-based cohort program. Cohort starts in Fall of every year.**
- **Placement Requirements:** eligible for ENGL 101 and eligible for MATH 072
- **ENGL/MATH Degree Requirements:** ENGL& 101 and ENGL 128 and NATRS 180
- **Meet with:** Career Technical Advisor to plan out general education classes.
- **Email:** Program Coordinator, Jessyka Williams jrwilliams@greenriver.edu for program application.
- General Education classes required for program are: ENGL 101, ENGL 128 AND CMST 220. It is highly recommended that students meet these requirements prior to entering into the cohort due to a higher full-time credit load for many quarters.

Water/Wastewater

- **Placement Requirement:** ENGL 109 and eligible for MATH 097*
- **ENGL/MATH requirements:**
 - Certificates: eligible for ENGL 109 and eligible for MATH 097 (by placement or by completing MATH 072 with a 2.5 or higher)
 - Degree: MATH& 141 and MATH& 142 which are prereqs to the degree requirements of CHEM& 161 and CHEM& 162

- **Meet with:** Career Technical Advisor for class selection and plan.
