

GREEN RIVER COLLEGE NURSING PLANNING GUIDE

Nursing Roles

Assistant/Technician: Narrow scope of work. Provides basic patient care under supervision, assisting with daily activities and monitoring health. Examples include nursing assistant, emergency room technician, and phlebotomist. Licensing typically requires completion of a certificate program.

Practical Nursing (LPN): Delivers direct patient care under supervision, focusing on hands-on skills and patient interaction. Licensing requires completion of an Associate of Applied Science in Practical Nursing degree.

Registered Nurse (RN): Coordinates patient care, administers medications, educates patients, and collaborates with healthcare providers. Licensing requires completion of an Associates Degree in Nursing or an Bachelors of Science in Nursing degree.

Certified Registered Nurse Anesthetist (CRNA): Administers anesthesia and monitors patients during surgery for safe pain management. Licensing requires completion of a CRNA doctoral program. Admission into a CRNA program typically requires 1-3 years of intensive work experience as an RN.

Nurse Practitioner (NP): Diagnoses and treats illnesses, prescribes medications, and educates patients, often specializing in specific areas. Licensing requires completion of a masters or doctoral program.

Nursing Specialties

Once an individual achieves nursing licensure, specialization often occurs through on-the-job training and further education, such as advanced practice nursing programs like a Master of Science in Nursing (MSN) or a Doctor of Nursing Practice (DNP), offering specialized coursework and clinical experiences.

Get Started

greenriver.edu/getstarted

Certificate

1. Apply to College
2. Apply to certificate program
3. Check email for next steps
4. Attend program orientation
5. GRC Nursing will enroll you into your classes after orientation.

AAS of Practical Nursing

1. Apply to College
2. English and math placement
3. Sign-up for NSA
4. Register for classes at NSA
5. Complete prerequisites
6. Apply to degree program
7. Check email for updates

A of Pre Nursing

1. Apply to College
2. English and math placement
3. Sign-up for NSA
4. Register for classes at NSA
5. Check email for updates

Note: Transfer degree only. Students must complete nursing program for licensure.

BSN

1. Apply to College
2. Complete prerequisites
3. Apply to degree program
4. Check email for updates

Information Sessions

greenriver.edu/infosessions

Learn more about Green River Nursing's certificate and degree programs by attending an information session. The Sessions are virtual, and attendees are able to ask questions specific to their own path.

Note: Participants in all of GRC's nursing programs must be able to pass a background check and drug screening.

Immunizations

greenriver.edu/nursing > select program > Immunization Requirements

Participants in all of Green River's Nursing programs, except for Phlebotomy, must meet all immunization requirements.

Immunization	Anticipated Completion Time
Tb Test	Approximately 3-4 weeks (2 step test) or a few days (QuantiFERON)
Influenza (Flu)	Annually - One Visit
Hepatitis B*	Approximately 6 months
MMR (Measles, Mumps, Rubella)	3 separate titers and can be completed in a single visit
Varicella	2 doses administered at least 4 weeks apart
Tetanus, Diphtheria, Pertussis (Tdap)	Required every ten years
COVID-19	Initial Dose + Booster or Current Booster**

*Complete Hepatitis B immunization is not required for entry. The first dose of immunization must be completed prior to admission.

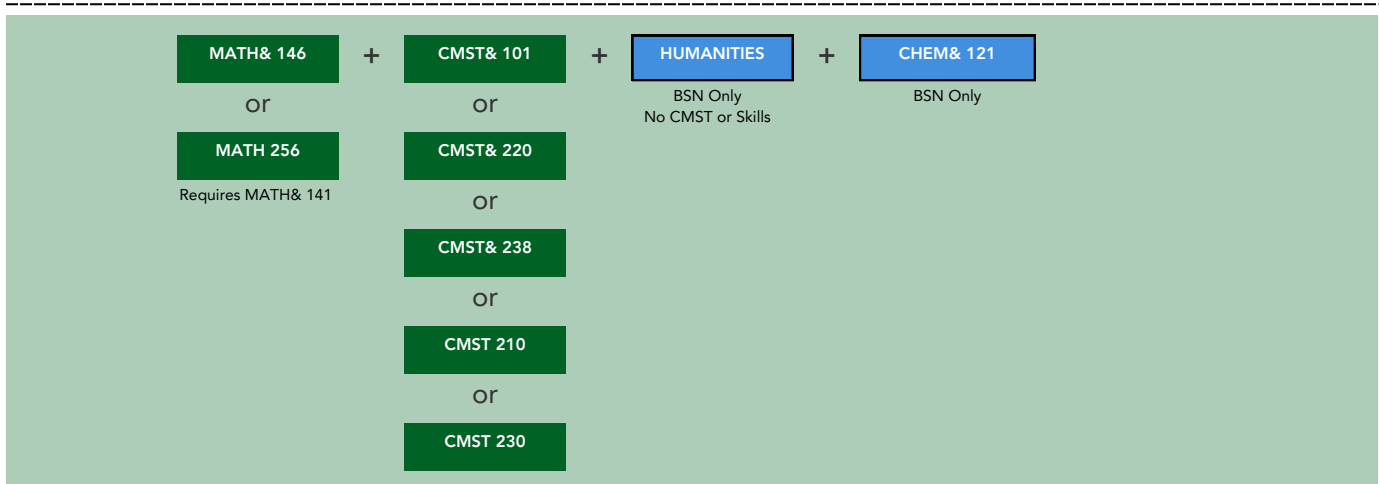

**If student has not received initial COVID-19 dose, current available booster is okay.

Green River AAS and BSN Prerequisite Courses

greenriver.edu/nursing > select program > Admission Requirements

Completion of the courses below are required prior to applying to Green River's AAS and BSN degree programs. Applicants may have one outstanding prerequisite at the time of application. Please note that:

- minimum course GPA is 2.5
- minimum cumulative prerequisite GPA is 3.0+
- courses do not expire
- no retake limit
- Your math & English placement may require additional courses.

Intended Program(s): _____

Program Application Deadline: _____ Immunizations Required: Yes No

English & Math Placement

Your math and English placement may impact your course progression. Determine your placement at greenriver.edu/placement.
