

ANNUAL SCHEDULE

2024

2025

HOW TO USE THIS SCHEDULE

This annual schedule is designed to assist you with your educational planning process. It is strongly recommended that you meet with your advisors to jointly discuss and plan your classes for the entire year.

The classes have been projected for four quarters to enable you to plan for sequence courses, prerequisites, and courses that are offered during one quarter only.

The annual schedule should not be considered a substitution for the Class Search in ctLink.

You will need to use your ctLink account and Class Search to enroll in classes. The Class Search and online catalog can be used to help identify prerequisites, fees, restrictions, and other useful information.

Boxed courses include additional meeting times required for the course.

Mode indicates class meeting type: Hybrid (**HY**), In-Person (**IP**), Online (**OL**), Zoom (**Z**).

Location (Loc) indicates where courses are held. Main Auburn Campus classes are not labeled.

Branch campus class locations are labeled as: Auburn Center (**AC**), Enumclaw (**EC**), Kent (**KC**), Online (**OL**).

Catalog, Class Search and course descriptions are available on-line at catalog.greenriver.edu.
