

# GREEN RIVER COLLEGE NURSING PLANNING GUIDE GREENRIVER.EDU/NURSING

## Common Nursing Roles

**Assistant/Technician:** Narrow scope of work. Provides basic patient care under supervision, assisting with daily activities and monitoring health. Examples include nursing assistant, emergency room technician, and phlebotomist. Licensing typically requires completion of a certificate program.

**Practical Nursing (PN):** Delivers direct patient care under supervision, focusing on hands-on skills and patient interaction. Licensing requires completion of an Associate of Applied Science in Practical Nursing degree.

**Registered Nurse (RN):** Coordinates patient care, administers medications, educates patients, and collaborates with healthcare providers. Licensing requires completion of an Associates Degree in Nursing or an Bachelors of Science in Nursing degree.

**Certified Registered Nurse Anesthetist (CRNA):** Administers anesthesia and monitors patients during surgery for safe pain management. Licensing requires completion of a CRNA doctoral program. Admission into a CRNA program typically requires 1-3 years of intensive work experience as an RN.

**Nurse Practitioner (NP):** Diagnoses and treats illnesses, prescribes medications, and educates patients, often specializing in specific areas. Licensing requires completion of a masters or doctoral program.

## Nursing Specialties

Once you achieve nursing licensure, specialization often occurs through on-the-job training and further education, such as advanced practice nursing programs like a Master of Science in Nursing (MSN) or a Doctor of Nursing Practice (DNP), offering specialized coursework and clinical experiences.

## GET STARTED IN NURSING GREENRIVER.EDU/GETSTARTED

### Certificate

1. Apply to College
2. Apply to certificate program
3. Check email for next steps
4. Attend program orientation
5. GRC Nursing will enroll you into your classes after orientation.

### AAS-Practical Nursing

1. Apply to College
2. English and math placement
3. Sign-up for NSA
4. Register for classes at NSA
5. Complete prerequisites
6. Apply to degree program
7. Check email for updates

### AS-Pre Nursing

1. Apply to College
2. English and math placement
3. Sign-up for NSA
4. Register for classes at NSA
5. Check email for updates

Note: Transfer degree only. Students must complete nursing program for licensure.

### BSN

1. Apply to College
2. Complete prerequisites
3. Apply to degree program
4. Check email for updates

Online

**Requirements:** 18 years of age within 3 months after completion of program. Must be able to pass a drug screening (includes Marijuana) and background check; convictions and pending charges involving drugs, violence, or crimes against people typically disqualify student's from participating in program. English proficiency.

# GREEN RIVER DEGREE PATHWAYS

GREENRIVER.EDU/NURSING > SELECT PROGRAM

## Bachelors of Science in Nursing

Equips students for careers as Bachelor's prepared Registered Nurses through a 90-credit curriculum, including classroom and lab experiences, leading to eligibility for the NCLEX-RN. Graduates benefit from improved job prospects, career advancement opportunities, and preparation for advanced degrees, enhancing patient care outcomes and autonomy in nursing practice.

**2 YEARS**  
Program Length

**FALL QUARTER**  
Admit 32 Students

**APPLICATION**  
Online-Open 2.1 to 4.1

**~30%**  
Acceptance Rate

**TBD**  
NCLEX-RN Pass Rate

**Requirements:** Unencumbered practical nursing license. Up-to-date on immunizations; GRC Nursing does not grant religious or philosophical exemptions. Successful completion of all prerequisite courses; 1 course may be outstanding at the time of application.

## Associate of Applied Science in Practical Nursing

Green River College's Practical Nursing Program prepares students for careers as licensed practical nurses through a 90-credit program, of which 45 credits are prerequisites. Graduates can sit for the NCLEX-PN for licensure. The program offers job security, a pathway into nursing, the ability to bridge into ADN or BSN programs, and the opportunity to start working in as little as 2 years.

**9 MONTHS**  
Program Length  
+ Prerequisites

**FALL QUARTER**  
Admit 40 Students

**Full-Time Program**  
**APPLICATION**  
Online-Open 12.1 to 1.15

**~30%**  
Acceptance Rate

**92%**  
NCLEX-PN Pass Rate

**17 MONTHS**  
Program Length  
+ Prerequisites

**SPRING QUARTER**  
Admit 24 Students

**Part-Time Program**  
**APPLICATION**  
Online-Open 4.15 to 6.1

**~25%**

**MA-C Option:** Students who are certified medical assistants are eligible to earn 2 credits for work experience, after completing a skills test with a nursing faculty.

**Requirements:** Up-to-date on immunizations; GRC Nursing does not grant religious or philosophical exemptions. Successful completion of all prerequisite courses; 1 course may be outstanding at the time of application.

## Associates of Science in Pre-Nursing

Enables students to transfer seamlessly to BSN programs in Washington State by fulfilling foundational coursework requirements, including completing 90-91 quarter credits with a minimum GPA of 2.0 and meeting specific distribution criteria, with potential GPA standards set by nursing programs. Completion of this program does not qualify students for licensure in nursing.

**2-3 YEARS**  
Program Length

**QUARTERLY**  
Admit Students

**APPLICATION**  
Not Required

**NA**  
Acceptance Rate

**NA**  
NCLEX Pass Rate

**Requirements:** Check with the program you are intending to transfer into.

# IMMUNIZATIONS

GREENRIVER.EDU/NURSING > SELECT PROGRAM > IMMUNIZATION REQUIREMENTS

Participants in all of Green River's Nursing programs, except for Phlebotomy, must meet all immunization requirements.

Immunization	Anticipated Completion Time
Tb Test	Approximately 3-4 weeks (2 step test) or a few days (QuantiFERON)
Influenza (Flu)	Annually - One Visit
Hepatitis B*	Approximately 6 months
MMR (Measles, Mumps, Rubella)	3 separate titers and can be completed in a single visit
Varicella	2 doses administered at least 4 weeks apart
Tetanus, Diphtheria, Pertussis (Tdap)	Required every ten years
COVID-19	Initial Dose + Booster or Current Booster**

\*Complete Hepatitis B immunization is not required for entry. The first dose of immunization must be completed prior to admission.

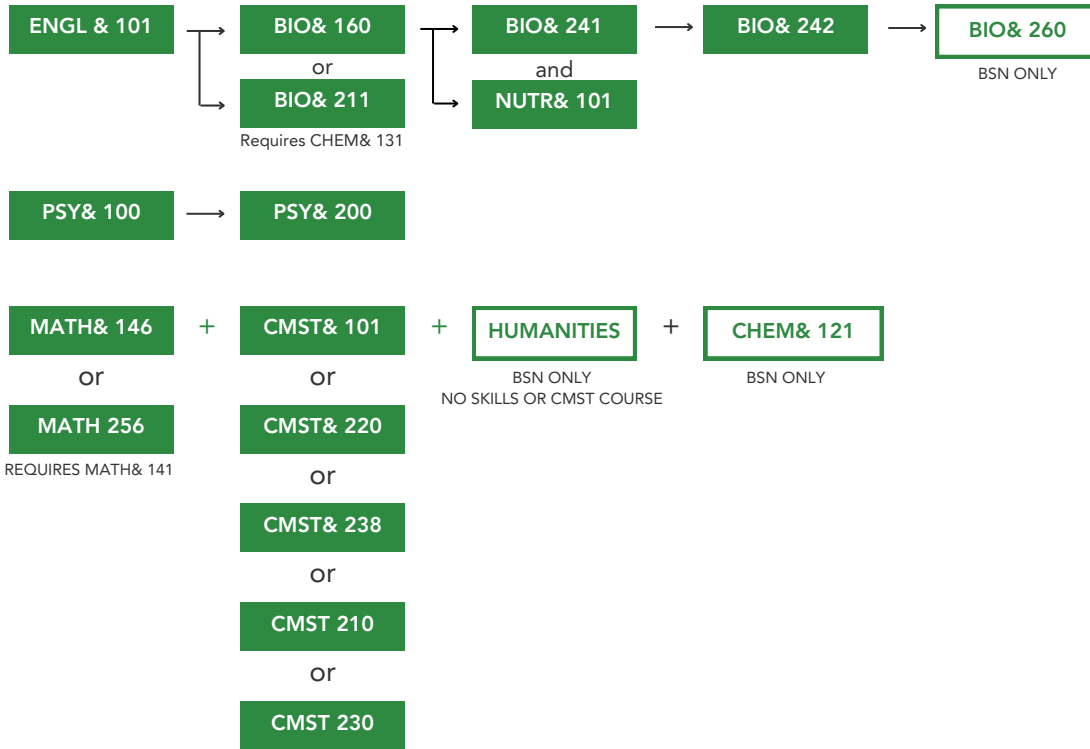

\*\*If student has not received initial COVID-19 dose, current available booster is okay.

# GREEN RIVER NURSING DEGREE PREREQUISITE COURSES

GREENRIVER.EDU/NURSING > SELECT PROGRAM > ADMISSION REQUIRMENTS

Completion of the courses below are required prior to applying to Green River’s AAS and BSN degree programs. Applicants may have one outstanding prerequisite at the time of application. Please note that:

- minimum course GPA is 2.5
- minimum cumulative prerequisite GPA is 3.0+
- courses do not expire
- no retake limit
- courses do not expire
- no retake limit
- Your math & English placement may require additional courses.

## SAMPLE LPN PREREQUISITE COURSE PLAN

Q 1	Q 2	Q 3	Q 4	Q 5	Q 6
