STUDENT EMPLOYMENT TERMS

- A student employment position must not displace employees (including those on strike) or impair existing service contracts. Replacement is interpreted as displacement. Replacing a full-time employee whose position was eliminated (for any reason) with a student employee is prohibited.
- Work performed by the student employee must not be sectarian related or involve any partisan political activity.
- To participate in student employment, student must maintain at least half time enrollment (6 credits). Work Study participants must be registered for credits counting toward completion of student's program of study at Green River College.
- Student employee may not work during scheduled class hours. Student may work no more than 19 hours per week during the quarter session. Student may work longer hours during quarter break period, up to 40 hours per week, provided they continue as a student registered at least half-time the following quarter. Exceeding weekly hour limits or working during class hours may disqualify a student from continued employment through the Student Employment Program.
- Student employee is expected to adhere to scheduled work hours and report time accurately by payroll due dates. Any student unable to adhere to payroll due dates may be disqualified from continued employment through the Student Employment Program.
- Continued Work-Study eligibility is subject to available funds and academic progress.
- Student employee is required to complete Ethics and Nondiscrimination & Harassment training.

I have read and understand the terms of student employment
