

ANNUAL SCHEDULE

2019

2020

HOW TO USE THIS SCHEDULE

This annual schedule is designed to assist students with their educational planning process. It is strongly recommended that students meet with their advisors to jointly discuss and plan their classes for the entire year.

The classes have been projected for four quarters to enable students to plan for sequence courses, prerequisites, and courses that are offered during one quarter only.

The annual schedule should not be considered a substitute for the quarterly class schedule.

Students will need to obtain a quarterly class schedule to assist them with the registration process as well as identifying prerequisites, fees, restrictions, and other useful information.

Boxed courses include additional meeting times required for the course.

ARR indicates that meeting times are arranged with the instructor.

(Online) indicates the course is taught via the Internet.

Some of these courses are offered at our branch campuses. These courses are identified in the quarterly class schedules.

Course descriptions are available on-line at greenriver.edu.
